

Duplicate litigation has been met with equal result, in the Oregon Supreme Court, against U.S. Senator Ron Wyden (S071813) and U.S. Congresswoman Valerie Hoyle (S071904). The important questions in this case need to be resolved in advance of Oregon's December 1st, 2025, deadline to certify its current election.

CONCLUSION

The petition for a writ of certiorari should be granted.
